

Rhino™ Towable Magnetic Sweepers

Severe Duty Off Road Sweeper for Rough Terrain

Durability

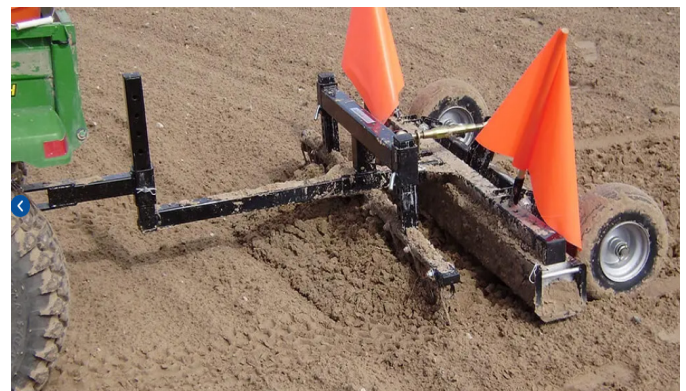

- Delivers heavy duty steel frame construction built to take the most rigorous conditions every day.
- Flat proof Carlisle 13" x 6.5" tires that keep working no matter how bad the debris gets
- Low maintenance design so you stay focused on the job, not the equipment

Power

- Triple layer magnet design producing a maximum lifting height of 8.5" using 2.5" nails
- Height adjustability from 0" to 5.5" to maximize effectiveness on any terrain
- Unique "Wrap Around" design that holds onto debris even when it gets pushed back by grass or dirt — it simply wraps around and snaps onto the back of the sweeper
- Optional Debris Digging Rake to loosen embedded debris and maximize magnet pickup

Easy and Safe

- Simple hitch pin with adjustable hitch height that attaches to virtually any tow vehicle in seconds
- Adjustable top link that easily dials in sweeping height from 0" to 5"
- Safety flags included for maximum visibility at all times
- Optional Quick Clean Off Sleeve makes dumping collected debris fast, easy, and hands free

**Why let scattered metal debris destroy your tires
or shut down your jobsite?**
